

## Indiana Department of Environmental Management Office of Land Quality

## RECOMMENDED RESPONSE June 23, 1998

## Hazardous Waste Transfer Facilities Notification

Area Code and Telephone Numbe  Owner's Name  Owner's Mailing Address (Include Zip  Owner's Area Code and Telephone Nu  Operator's Name  Operator's Mailing Address (Include Zip  Operator's Mailing Address (Include Zip  Operator's Area Code and Telephone Nu  Activities Performed During Transport of Hazardous Waste  (1) Mix hazardous waste (2) Combine hazardous waste (3) Commingle hazardous waste (4) Bulk hazardous waste (5) Repackage hazardous waste except in response to leaking containers or containers in poor condition (6) Pump hazardous waste from one vehicle to another (7) Transfer hazardous waste (including containerized	er o Code)			
Owner's Mailing Address (Include Zip  Owner's Area Code and Telephone Nu  Operator's Mailing Address (Include Zip  Operator's Mailing Address (Include Zip  Operator's Area Code and Telephone No  Activities Performed During Transport of Hazardous Waste  1) Mix hazardous waste 2) Combine hazardous waste 3) Commingle hazardous waste 4) Bulk hazardous waste 5) Repackage hazardous waste except in response to leaking containers or containers in poor condition 6) Pump hazardous waste from one vehicle to another	o Code)			
Owner's Mailing Address (Include Zip  Owner's Area Code and Telephone Nu  Operator's Mailing Address (Include Zip  Operator's Area Code and Telephone No  Activities Performed During Transport of Hazardous Waste  1) Mix hazardous waste 2) Combine hazardous waste 3) Commingle hazardous waste 4) Bulk hazardous waste 5) Repackage hazardous waste except in response to leaking containers or containers in poor condition 6) Pump hazardous waste from one vehicle to another				
Operator's Name  Operator's Mailing Address (Include Zip  Operator's Area Code and Telephone Notativities Performed During Transport of Hazardous Waste  1) Mix hazardous waste 2) Combine hazardous waste 3) Commingle hazardous waste 4) Bulk hazardous waste 5) Repackage hazardous waste except in response to leaking containers or containers in poor condition 6) Pump hazardous waste from one vehicle to another				
Operator's Mailing Address (Include Zip Operator's Area Code and Telephone Notativities Performed During Transport of Hazardous Waste  1) Mix hazardous waste 2) Combine hazardous waste 3) Commingle hazardous waste 4) Bulk hazardous waste 5) Repackage hazardous waste except in response to leaking containers or containers in poor condition 6) Pump hazardous waste from one vehicle to another	umber			
Operator's Mailing Address (Include Zij Operator's Area Code and Telephone N Activities Performed During Transport of Hazardous Waste  1) Mix hazardous waste 2) Combine hazardous waste 3) Commingle hazardous waste 4) Bulk hazardous waste 5) Repackage hazardous waste except in response to leaking containers or containers in poor condition 6) Pump hazardous waste from one vehicle to another		Owner's Area Code and Telephone Number		
Operator's Area Code and Telephone No.  Activities Performed During Transport of Hazardous Waste  (1) Mix hazardous waste (2) Combine hazardous waste (3) Commingle hazardous waste (4) Bulk hazardous waste (5) Repackage hazardous waste except in response to leaking containers or containers in poor condition (6) Pump hazardous waste from one vehicle to another	Operator's Name			
Activities Performed During Transport of Hazardous Waste  (1) Mix hazardous waste (2) Combine hazardous waste (3) Commingle hazardous waste (4) Bulk hazardous waste (5) Repackage hazardous waste except in response to leaking containers or containers in poor condition (6) Pump hazardous waste from one vehicle to another	ip Code)			
<ol> <li>(1) Mix hazardous waste</li> <li>(2) Combine hazardous waste</li> <li>(3) Commingle hazardous waste</li> <li>(4) Bulk hazardous waste</li> <li>(5) Repackage hazardous waste except in response to leaking containers or containers in poor condition</li> <li>(6) Pump hazardous waste from one vehicle to another</li> </ol>	Number			
<ul> <li>2) Combine hazardous waste</li> <li>3) Commingle hazardous waste</li> <li>4) Bulk hazardous waste</li> <li>5) Repackage hazardous waste except in response to leaking containers or containers in poor condition</li> <li>6) Pump hazardous waste from one vehicle to another</li> </ul>	Yes	No		
<ul> <li>3) Commingle hazardous waste</li> <li>4) Bulk hazardous waste</li> <li>5) Repackage hazardous waste except in response to leaking containers or containers in poor condition</li> <li>6) Pump hazardous waste from one vehicle to another</li> </ul>				
<ul><li>4) Bulk hazardous waste</li><li>5) Repackage hazardous waste except in response to leaking containers or containers in poor condition</li><li>6) Pump hazardous waste from one vehicle to another</li></ul>				
<ul><li>5) Repackage hazardous waste except in response to leaking containers or containers in poor condition</li><li>6) Pump hazardous waste from one vehicle to another</li></ul>				
leaking containers or containers in poor condition  6) Pump hazardous waste from one vehicle to another				
(6) Pump hazardous waste from one vehicle to another				
7) Transfer hazardous waste (including containerized				
hazardous waste) from one vehicle to another				
8) Open hazardous waste containers for purposes other than sampling				
than sampling
